**RUBBER AND TIN.**

Rubber and Tin Property.—£500 Required, at once, secure most valuable concern.—A., s9, etc.

This is the Bangi Rubber and Tin Properties Company, Limited, described as "a most promising rubber-growing concern in the Federated Malay States, registered under the English Joint Stock Companies Acts. Capital, £50,000, in 50,000 shares of £1 each. The directors are stated to be H. C. Brooke Johnson, Esq. (late of Sarawak), and Captain R. B. Feilden, R.A. (retired.) The general manager at Selangor, F.M.S., is Mr. John James Bradbery, and the registered office is 30, Craven-street, Strand, London, W.C., and the company has been formed to take over, develop, and work a concession of 705 acres of first-class State land, held direct from the Selangor Government (which is under British administration), situated at Reko, known as the Kajang Rubber Estate, which is "eminently suitable for the cultivation of Para rubber."—"Financial News."

**ANGLO MALAY RUBBER OUTPUT.**

The manager of the Anglo-Malay Rubber Company, Limited, reports that the crop harvested during the month of February was 9,714½ lb. dry rubber.

E. D. Bowman of Baddegama, Ceylon, has been authorised to file specifications of a new knife for rubber tapping.

The following appointments have been
