SELANGOR NOTES.

(Malay Mail.)

It is probable that a commencement will be made very shortly with the planting of gutta percha in the near vicinity of Kuala Lumpur. A comparatively new industry will thus be added to those already in existence in the locality. If the enterprise succeeds, it will be turned into a syndicate.

The proprietors of Belmont Estate, although absolutely new to Selangor themselves, are not without previous family connections in these parts. A cousin of Mr. Parry's was A.D.C., to Sir Frederick Weld, a former Governor. The Hon. E. Fielding was a nephew of the deceased General Fielding, who was adviser to Sultan Abu Bakar of Johore. He is also first cousin to Mr. Berkeley of Perak and the Mr. Clifford of Pahang, whilst we believe that Lady Denbigh, the wife of the third partner, is also a relation of Mr. Clifford's.

We understand that among amateurs of the game at Deli, there is a plan in contemplation to challenge Kuala Lumpur to a billiard match. There are some excellent players in the Dutch colony, and should the event come off, there ought to be an interesting exhibition witnessed here.

The Lady Cyclists of Selangor are Mrs. Jackson, Mrs. Syers, Mrs. Bellamy, Mrs. Nicholas, Mrs. Anchant.

It is said that Mr. F. J. We'd is to act as Secretary to H. E. The High Commissioner.
