UNITED PLANTERS' ASSOCIATION.

A SPECIAL general meeting of the United Planters' Association was held at the Selangor Club on Saturday to consider the question of reviving the old Selangor Planters' Association and the consideration of the future course to be adopted with regard to the United Planters' Association itself. It was decided to once again call into being the local body, of which Mr. Bailey was appointed Chairman and Mr. M. S. Parry, Hon. Secretary. Messrs. C. Meikle, P. W. Parkinson, H. F. Browell, E. B. Skinner, E. B. Prior and A. B. Lake were elected members of Committee. It was also determined that the functions of the U. P. A. should continue to be exercised by committee, consisting of the officers and committee of the S. P. A. together with members from the Associations of other States.

On Thursday last one of the West Country Estate coolies was attacked by a tiger in the middle of a clearing, says the *Malay Mail*. Two other coolies were close by and their yells frightened the tiger, but not before the brute had lacerated the man's chest and back. The man is now in the Kajang hospital.
