Notes in General.

Mr. Choo Kia Peng has kindly offered four prizes—one large cup and three small ones—for a billiard tournament at the Selangor Club.

Several donations have been received both in Ipoh, Batu Gajah, Kampar and Tapah, towards the building of the Cricket pavilion in Taiping, in memory of the brothers Frank and Arthur B. Stephens, who did so much for sport in the F.M.S. during their lifetime.

The Garrison Orders for yesterday contains the following :—Copies of the conditions for the Empire Day Challenge Cup have this day been issued to all concerned. Officers Commanding Units will make their own arrangements for fulfilling the special conditions, should they wish to enter.

A summary of the conditions was published in the Straits Times yesterday.
