A serious accident occurred on Thursday afternoon on the Kajang-Bangi Road about the 22nd mile. Mr. Bell, an assistant of Broome Estate, was motor cycling to Kajang to attend drill when he came into collision with a motor car coming in the opposite direction. Mr. Bell, who was badly hurt, was picked up by Mr. Paul and brought into Kajang and taken to the district hospital. It was there found that in addition to being badly cut about the head his leg and thigh were broken. Mr. Bell was subsequently taken to the European Hospital in Kuala Lumpur. Both the car and the motor cycle were badly damaged.
