This 1930 building in Kajang Town was owned by Low Boon Liew. In 1907, Low owned 3 shophouses in Town, was active in rubber planting & operated a brick kiln. He was the only one Chinese appointed to the five-member District Licensing Board for 1926-1927. The facade carries 2 plaster-carved flags which signify Guomindang & the Republic of China. The old buildings & walls in old Towns are embedded with stories & history.

加影杜更街尾的老店屋，原屋主属刘文柳。房屋门面展现精致浮雕。上端塑有国民党和中华民国的旗帜浮雕，记载着当年华人的身份认同。这栋老店屋的后部正在翻新，保留了门面，也算是保存了部分历史和街景。既感慨又无奈！
