Bangi Bandar Ilmu telah diistihar pada 22 Jun 2008 oleh Menteri Besar Selangor, Tan Sri Abdul Khalid Ibrahim

Pembukaan Bandar Baru Bangi bermula semasa kawasan tersebut masih lagi dikenali sebagai West Country Estate iaitu sebuah ladang kelapa sawit yang berkeluasan 5118 ekar. Berikutan pengenalan Dasar Ekonomi Baru yang berhasrat ingin mennyusun dan membuka penempatan kaum Melayu dalam kawasan bandar. West Country Estate diambil oleh kerajaan secara berperingkat pada dari 1972-1978.

THE PREFABRICATED HOUSING CONCEPT

The Seremban Housing Project will provide a total of 15,000 units of housing of various categories, of which some 5,000 units are currently being constructed. From these, there is choice here for medium cost apartments, lower medium cost apartments and factory site houses.

The Seremban Housing Project features several important characteristics—

- A unique system of dual roadways linking housing, industrial and town centres
- Innovative planning utilizing existing street patterns and natural contours to develop an extensive park and also have natural corridors between commercial and housing areas.
- The fabrication of construction elements to facilitate better quality control and speed in construction.
- The use of the successful "System Housing" strategy to achieve HEP housing requirements.
- Strategically located on the eastern side of the highway to connect K.L. Seremban and all points in between.
- A "Spine" aligned with centre that will later equate the needs of large and small activities.
- Provision of adequate off-road circulation in each planned area — ample car parking space for business and schools, children's playground area, recreational space, etc.

PRICE:

- Low cost prefabricated apartments from RM200,000 and above.
- Medium cost prefabricated apartments from RM250,000 and above.

Application forms and brochures can be obtained from—
