**DENSO (MALAYSIA) SDN.
BHD.**

Pacing Ahead in Automotive Technology

The beginning of DENSO (MALAYSIA) SDN. BHD. can be traced back to 1980, when a joint venture between DENSO Corporation, Japan and its local partners grew to become what it is today, the largest automotive components manufacturer in Malaysia, and a major automotive components supplier to reputable car assemblers in the country.

DENSO (MALAYSIA) SDN. BHD.
