

AYER Celebrate Life

Our Journey

Our roots can be traced back to 15 March 1907 where The Ayer Hitam Planting Syndicate Limited was founded and mainly cultivated rubber at Bukit Hitam Estate, Selangor.

On 28 March 1961, the Company was listed on Kuala Lumpur Stock Exchange and its principal activities included rubber and oil palm plantations, and property development encompassing homes, commercial units and industrial buildings.

In 2017, we rebranded and changed our name to AYER Holdings Berhad and boasted a market capitalisation of more than RM500 million. Our subsidiaries include Bukit Hitam Development Sdn Bhd, Yee Seng Plantations Sdn Bhd, The Ayer Hitam Development Sdn Bhd and Cendana Maju Construction Sdn Bhd.

As we build upon our legacy of being a trusted and reliable property and plantation organisation, we will continue to realise dreams and to a bigger extent, Celebrate LIFE.
