hooiyewlim (68) ▾ (@hooiyewlim) in #tasteem (/trending/tasteem) • last year

If you ever pass by Kajang area to eat, you need to order the Satay here. I recommend "Restoran Sate Kajang Hj Samuri"

It is believed that the Malaysia satay origin is from Kajang area. Unlike those in city area, the satay in this area are slightly bigger.

Even the building of the restaurant have it's own history.

Here is their menu.

Haha curry peanut sauce 🍛🍛 and that's my favourite. Important that they have a good balance between spicy and sweetness plus the texture
