

SJK(C) Choon Hwa

a - 1

Location	Batu 18 Hulu Langat, Selangor
Category	Primary School
Completion	22 June 2015
Donation	RM50,000
No of students	35 (2013 intake)

SJK(C) Choon Hwa is a partially aided school located in a rural village. The school’s single storey building was built in 1958 and has severe leakage problems. TCC advised the school to replace the existing asbestos roof with metal deck roofing to resolve the leakage problems. 2 blocks of single storey classroom buildings underwent a new facelift with new metal deck roof installed.
